HAPPENINGS THIS MONTH:

We are celebrating School Counselor Appreciation Week the 6-10th. Ms. Way, our counselor, is undoubtedly an appreciated person within our building and throughout Francis Howell. Here are some things our students and staff have to say about her:

Alexis: "She is very nice and goes out of her way to help me. No matter what I do she always forgives me."

Colton: "If you need her, she is always there; she always shows up."

Dr. Haan: "She challenges me."

Mrs. Lenk: "Ms. Way is very forgiving and does not hold grudges."

Evelyn: "She talks openly and gives me advice."

Nurse B: "Ms. Way always sees the good in our students and works hard to help them see the same."

A Community Resource

SANCTUARY CORNER:

This month's theme is Growth and Change. Our commitment to Growth and Change helps us honor losses, manage our future, and promote creative change. Challenges can be difficult to manage through, but they help shape our character and there's always a lesson to be learned. Albert Einstein once said that insanity is "Doing the same thing over and over again and expecting different results."
