Irish

Proverb:

The hand

that gives

is the

hand that

gets.

Embodying our Sanctuary theme this month, Heritage Landing is teaming up with the Lymphoma and Leukemia Society. With the leadership of Ms. Way and Mrs. Barry, students and staff have the chance to participate in social responsibility by giving back. Pennies for Patients is a fundraising campaign in which students, parents, teachers and school administration benefit society by raising awareness and collecting spare change for research and patient services for children and adults fighting leukemia,

Will and Mrs. Barry with the LLS donation boxes

lymphoma and myeloma. Students will be bringing home coin collection boxes for family donations to be returned to school. Please join us in supporting this cause, as our help is crucial in helping fight against blood cancers plaguing

people within our communities.

The end of third quarter is March 9th and Spring Break is the week of March 20-24th. Enjoy your time off and we will see everyone back the 27th!

Sanctuary Corner

This month's theme is Social Learning and Responsibility. To be committed to social learning, one works together with others and provides their own strengths for the needs

of the group. This helps completing a task or mission within a group by contributing your best self in a group but also learning from our mistakes along the way. Social responsibility tells

us there is power in groups and safety in numbers. Everyone depends on each other to follow the norms and expectations of the culture they are a part of.
